OHIO — Mostly cloudy, showers and thunderstorms likely tonight, heaviest south portion. Saturday showers and thundershowers probably ending in afternoon. Cooler south portion Saturday.

White House Plans Fight On Trade Bill

Democratic Leader To Assist GOP In Floor Scrap

WASHINGTON (AP) — Eisenhower administration officials today pledged a Senate floor fight to defeat Finance Committee amendments which would restrict the reciprocal trade program.

They apparently could count on help from the Democratic leadership. Senate Majority Leader Lyndon B. Johnson (D-Tex.) said he opposed two of the principal amendments.

Committee Chairman Harry F. Byrd (D-Va.) said he understood the debate might begin by the middle of next week. A bitter battle was in prospect.

The House had passed a five-year extension by the program in substantially the form President Eisenhower asked. But the Senate Finance Committee, in approving the bill Thursday, added a series of amendments which would limit the President's powers in negotiating lower tariffs with other countries.

The administration indicated today it was not too seriously concerned about one of the changes — to cut the extension period from five to three years. A four-year compromise with the House is possible on this. The same amendment cut from 25 to 15 per cent the maximum tariff reduction.

But Commerce and State Department officials took sharp issue with another amendment designed to protect domestic industries which claim damage from imports. In such cases, the Tariff port quotas of higher tariffs under Commission can recommend import quotas or higher tariffs under what is called the escape clause, but the President now can reject the recommendations if he sees fit.

Under the Senate amendment, adopted 8-7, he could do so only if both the Senate and House approved by majority vote. The change also would provide that a tie vote of the six-member Tariff Commission should be considered a finding in favor of the industry.

The biggest floor fight promises to center on this amendment. The administration strongly opposed another amendment adopted by the committee which would require that, in negotiating new trade pacts, no tariff could be cut more than 5 per cent in any one year.

Posse Captures Bearded Child-Killer in Mountains

REGINA, N.M. (AP) — New Mexico State Police today wounded and captured a bearded recluse who Thursday slew two children.

Police identified the captured man as Nelson A. Foose, 47. They said he once spent six months in an Idaho mental hospital.

Six officers, led by Sgt. Milton Matteson of Santa Fe, closed in on the hermit's camp at dawn. "I told him to come out and throw down his gun," Matteson said. "He came out in the road with his hands up, but with the rifle still with him."

"I told him again to throw down the gun, and fired a warning shot into the bank. He didn't, and one of the officers shot him in the foot."

Regina is a tiny hamlet in the mountains of Sandoval County, about 100 miles north of Albuquerque.

About 100 men surrounded the camp where Foose Thursday night shot and wounded Sam Hill, one of the posse members.

The man had shot and killed two children on the streets of Cuba, N. M., and wounded the mother of one of them.

The bald, bearded Foose chatted calmly with four sweating officers who were carrying him down the mountainside.

"What were all you fellows doing out there?" Foose asked.

"We were looking for you."

"I didn't know what was going on," Foose said. "I wondered what all you fellows were doing out there."

"How does it feel to be shot?" an officer asked.

"It hurts," Foose said.

"Well," the officer said, "there are two people that don't hurt any more."

Foose had been prospecting for uranium in the area for about six months.

The slayer left his camp about noon Thursday and drove to the mountain town of Cuba, a farming village of less than 500, about 75 miles northwest of Albuquerque.

Driving up in front of a grocery store, he stopped and leveled

PROBERS CRY 'CONTEMPT'!

Only Six Counties in Ohio Can Make This Statement!

Fayette Sales Tax Receipts Top Last Year's

Fayette is one of six counties in Ohio in which sales tax collections for the recently completed fiscal year exceeded those for the previous year!

Sales tax collections generally are regarded as a barometer of business conditions.

A heavy "clean-up period" before the June 30 deadline boosted Fayette County collections for the week ending June 30 to \$23,680 and produced a total of \$456,822.93 for the period from July 1, 1957, to July 1, 1958. This was a gain of 0.6 per cent over the

\$453,833.91 total for the previous 12 months.

The six other top-running counties and their percentage of gain for the year are: Fairfield, 2.5 per cent; Gallia, 2 per cent; Meigs, 0.8 per cent; Monroe, 23.1 per cent, and Washington, 7.4 per cent.

Monroe, Gallia, Meigs and Washington counties are in the Ohio River area which is experiencing a major industrial boom.

LOSSES among Fayette County's neighbors ranged from 8.1 per cent in Clinton County to 2.4 per cent in Madison County.

Total cumulative collections in Ohio amounted to \$224,658,574, a dip of 4.6 per cent from the 1957 all-time high of \$235,470,638, State Treasurer Roger W. Tracy said.

The biggest decrease in Ohio was in agricultural Henry County (Napoleon) where collections for the year were down 12.7 per cent. Tucasawas and Shelby

counties had losses of 12 per cent.

Here are the 12-month figures for the six counties bordering Fayette (figures in parentheses are for last year):

Clinton \$513,152 (\$558,895) —8.1 per cent; Greene \$1,046,870 (\$1,117,565) —6.3 per cent; Highland \$398,732 (\$490,946) —2.7 per cent; Madison \$421,863 (\$432,173) —2.4 per cent; Pickaway \$385,246 (\$403,078) —4.4 per cent; Ross \$854,766 (\$891,372) —4.1 per cent.

Storm Rips Kansas Towns

Three Reported Killed by Winds

TOPEKA, Kan. (AP)—A storm with hurricane force winds, hail and heavy rain battered a wide area of northeastern Kansas early today, causing widespread damage at Topeka and a flash flood at Atchison.

At Atchison, City Manager William Yerkes said there were at least two dead and that he had an unconfirmed report of a third death. A 12-year-old girl also drowned at Topeka.

Water was six to eight feet deep in the downtown area. The city's water supply was cut off and there was little electric power. Yerkes said several buildings collapsed and trains in the railroad yards were derailed. National Guardsmen and highway patrolmen moved into the area.

The storm contained at least one tornado and possibly others. One funnel hit a farm 3½ miles west of Topeka, destroying a barn and two out-buildings, but dissipated before it reached the city. There were numerous unconfirmed reports of other tornado funnels.

Rain at Topeka measured 3.90 inches, and drove Shunganunga Creek out of its banks.

More rain was forecast. Topeka police said the winds, officially measured at up to 92 miles an hour, severed power and telephone lines, knocked down uncounted trees and damaged numerous homes. Police said live wires lay exposed in several places.

The wind knocked over a 45-foot trailer, and rescue workers pulled a woman from the wreckage. The transmission tower of radio station KTOW was felled, and two others stations, WREN and WIBW, had to resort to emergency power to continue operating.

Town throughout the eastern Kansas area reported high winds and rain. Americus, a village northwest of Emporia, was isolated by poles and live power lines which blocked highways.

Emporia, where the wind velocity reached 98 m.p.h., reported trees felled and stripped roofs.

Police Chief S. R. Purdue said that shortly after the storm ended, thieves started looting downtown Topeka stores, where wind and hail smashed many windows.

The Weather Bureau had no advance warning of the storm, which struck about 1 o'clock.

The storm moved across Kansas City, 72 miles to the southeast, about 2:30 a.m., but police said it caused no damage.

Jeff Resident Accused of Mail Thefts

Ronald L. Tyree, 26, Jeffersonville, will be arraigned before a U. S. commissioner in Columbus Friday afternoon on a charge of stealing money from the mails, according to postal authorities.

Tyree was arrested by postal officers here Thursday evening and spent the night in the county jail.

The first complaint against Tyree was received by the Washington C. H. postoffice three weeks ago. He had been employed here as a temporary custodian since May 17. Tyree cleaned up at the post office at night, and is alleged to have taken small amounts of money.

Postal authorities said he would pick up letters, put them in his pocket, and open the letters at home. Postal inspectors arrived in town Thursday noon and baited a trap for him Thursday evening.

Under suspicion for three days, Tyree was arrested Thursday night when he picked up the "baited" mail containing about \$100, authorities said.

May Lose Car, Too

JACKSON, Mich. (AP)—Richard Briningstool, 27, was on his way to the bank Thursday to make a car payment when two youths stopped him. They robbed him of \$87 then tore off his pants so he couldn't follow them.

Moons Disclose Space Problems

LOS ANGELES (AP) — Unexpected problems disclosed by the U. S. Explorer satellites have put new difficulties in the way of manned space flight, says a space scientist.

Chief problem, Dr. J. E. Froelich told the Institute of Aeronautical Sciences Thursday, is the intense radiation encountered in the

satellites' range of from 600 to 1,700 miles above the earth.

Instruments in the two Explorer satellites have measured radiation far in excess of what scientists planned on, said Froelich, one of the designers of the satellites. Source of the radiation is not known, he said.

He said the heavy radiation would endanger human travelers in space. Providing shields to protect passengers would increase the weight of space vehicles and thereby add to the problem of getting them into space, he added.

Dr. Froelich said the satellites have also disclosed that tiny meteorites abound in outer space. The first Explorer had 38 collisions with meteorites in 13 days, he said, but all were harmless.

He said the satellites have produced much significant knowledge about outer space, but warned: "Man has taken but a little step toward his objective to emigrate from the planet earth... We have encountered problems we did not expect and physical phenomenon we do not understand. Progress will now be slower than we like."

Accardo Handed Contempt Citation by Senate Body

WASHINGTON (AP) — Gangster Tony Accardo, who always has been too smart for the law, drew a contempt of Congress citation today for trying to make a mockery of the Constitution's Fifth Amendment privilege.

The poker-faced reputed boss of Chicago's gangland didn't bat an eye as Chairman John L. McClellan (D-Ark.) ordered the Senate Rackets Investigating Committee staff to prepare the contempt citation.

"I am hopeful," McClellan said, "the courts will be conscious of an obligation to society as a whole" and send Accardo to prison. Contempt is punishable by up to a year in prison and \$10,000 fine.

Accardo had just invoked the Fifth Amendment on whether, in a single year, he had ordered the murder of one lawyer for the Chicago Restaurant Assn., and been involved in a plot to kill another association attorney.

McClellan sustained Accardo's pleas that answers to questions

about these never-fulfilled murder plans, and about alleged gang executions might tend to incriminate him.

But in cold, stern tones, McClellan accused Accardo of a flagrant abuse of the Fifth Amendment protection against self-incrimination in refusing to tell whether he is a citizen of this country or where or when he was born. The committee said he is a Chicago native.

Accardo has a record of many

Chillicothe Has Big Time With O'Neill

CHILLICOTHE, Ohio (AP) — Gov. C. William O'Neill headed back to Columbus today where he will stage the third in a series of 11 Governor's Day picnics. This one is at the Ohio State Fairgrounds.

Thursday the governor put on one of the biggest political rallies seen here in years. The show was complete with free rides for children, high school bands, professional entertainment, food and soft drinks.

After shaking hands for three hours, O'Neill told his audience of the state's "firsts." He said:

"Ohio now leads all other states in new highway construction. Ohio is first among all the states in the construction of hospitals for the mentally ill. Ohio is first among the states to develop a program for education beyond high school for our youngsters, since Sputnik focused the attention of the people of America upon our educational system."

Continuing, O'Neill stated:

"Ohio has grown to be the second state in America in manufacturing and with our present natural resources and our favorable economic, governmental and industrial climate in Ohio, in the next 15 years we can reach first place among all the states."

On the state's financial condition, the governor said there is an uncommitted surplus of 38 million dollars.

The Winnah!

PROMPTLY FAINTING at the announcement she had won the "Miss New York State" title, Virginia Fox, 20, of Levittown, was caught by second and third-placers Lynne Galvin (left), 18, and Lucille Strazza, 20. The judging was done at Palisades Park, N. J.

Goldfine Nixes Questioning on Money Affairs

Subcommittee Taking Steps Toward Citation

WASHINGTON (AP) — Counsel for House investigators today accused Bernard Goldfine of contempt of Congress after the Boston industrialist refused to answer 23 questions about his financial affairs.

The questions had been specially drawn up to prepare the way for possible contempt action.

Robert W. Lishman, lawyer for the subcommittee checking Goldfine's dealings with Presidential Assistant Sherman Adams and federal agencies, charged that Goldfine was in contempt.

The charge was not immediately acted on. But the subcommittee headed by Rep. Oren Harris (D-Ark.) had taken steps toward citing Goldfine for not answering questions which they said were pertinent to their inquiry.

Goldfine was asked particularly about financial matters connected with his East Boston Co., a holding firm, and its subsidiary, the Boston Port Development Co.

Goldfine declared again and again that these had nothing to do with the House probe of regulatory agencies. Harris said the questions definitely were pertinent.

"I contend that this subcommittee has no right to inquire into the internal affairs of the companies concerned," Goldfine maintained.

Lishman then told the subcommittee that Goldfine has refused to answer enough pertinent questions "to establish in my judgment that the witness is guilty of contempt."

That contempt, Lishman declared, consists of a Goldfine effort to prevent the subcommittee from performing the responsibilities of remedial legislation to take care of the public interest.

Goldfine's East Boston Co. got into trouble with the Securities & Exchange Commission for not filing required financial reports from 1948 to 1954.

Adams has sworn that while he asked SEC about the case he neither sought nor got special favor for his gift-giving friend. The SEC and Goldfine both have denied that the Boston millionaire did get special treatment.

Goldfine was served the subpoena as he entered the hearing room. Until then he had been a

Citizens Committee Proposal Awaits State Board Review

A recommendation made by the Fayette County Citizens Committee immediately prior to its dissolution June 30 will be placed before the State Board of Education at its regular monthly meeting Monday.

Dr. E. E. Holt, state superintendent of public instruction, told The Record-Herald Friday that he will submit the proposal he received from Carl Jones, Citizens Committee chairman, to the full board.

The six majority members of the committee (the three minority members selected by the Washington C. H. Board of Education did not attend the final meeting) recommended that the 127-acre G. D. Baker subdivision, adjoining Belle Aire, be transferred to the city district for school purposes.

THE MAJORITY members contended that a prior transfer of the area to the city district for school purposes by the State Board was invalid, because, they claimed, the area had never been legally annexed to the city for governmental purposes. The city's new Belle Aire

school is being constructed on the site.

Dr. Holt also told The Record-Herald that no contract for a survey of the city-county school situation, initiated by the State Board last January, has yet been signed with Kent State University, the agency designated to make the investigation.

The state superintendent said that a contract is being prepared, but that detail have not been completed. There would seem to be no possibility that any recommendations by a survey team could be placed on the November ballot, Dr. Holt observed.

The survey was requested by a group of citizens including Sam B. Martig, Concord Township who "Thursday brought a Common Pleas Court action asking invalidation of Miami Trace Board action to sell a \$1,632,500 bond issue for school construction.

One of Martig's state causes of action is that the promised survey has not yet been made.

The Miami Trace Board authorized sale of the issue to the high bidder at a meeting Thursday afternoon.

## Final Briefs In SUB Case Filed Today

COLUMBUS, Ohio (AP)—The final briefs in the dispute over simultaneous payment of supplemental unemployment benefits (SUB) and state jobless compensation were filed today in the Ohio Supreme Court.

A 69-page joint brief was filed by three parties who intervened in the case when it was heard in Mahoning County Common Pleas Court. That court and the Appellate Court ruled simultaneous payment of both benefits is legal under present law.

The intervenors are the C. E. Morris Co., Richard H. Ward and Donald R. Smith.

The action is in a form of a request for a declaratory judgment on the legality of simultaneous payments. It is one of two SUB cases before the court.

The other case is a direct appeal from refusal of Bureau of Unemployment Compensation officials to permit state payments to a Youngstown steel worker who received a SUB payment.

The intervenors are not involved in the appeal case. Their brief applies only to the declaratory judgment case.

The appeals case was rushed through lower courts because some legal experts questioned whether Mahoning County Courts had jurisdiction in the declaratory judgment case and there appears a possibility the Supreme Court may throw out the latter case on those grounds.

The next apparent step is for the high court to set a hearing date. Chief Justice Carl V. Weygant has notified attorneys for both sides that both cases will be heard together.

## Ross County Boy Shot by Intruder

CHILLICOTHE, Ohio (AP)—A 15-year-old boy was wounded seriously by a shotgun charge in the Spargursville area of Ross County today and a sheriff's posse was on the hunt for a man reported to have shot him.

In critical condition in Chillicothe Hospital is Norman Chaney, who lives with an aunt about 15 miles west of here.

Sheriff's deputies said they had not learned all the details of the shooting, but that they were searching for Norman Dotson, 40, for questioning.

The officers said they understood the shooting took place when Dotson forced entrance to the house to talk to the aunt, that the boy got a shotgun to protect her and that the gun was taken away from him and used to inflict the wounds.

## Rainy Weather

(Continued from page One)  
are deducted, and this would bring in around \$1,235,000.

But, in view of the rain, doubt that the wheat will average 26 bushels or that it will grade No. 2 is general among both farmers and elevator men.

Nobody will risk a prediction either on the average or the quality, but the consensus is that both will be below normal.

A wet June did the corn and soybeans no good, either.

During June, 5.67 inches of rain soaked the county. Time after time, low spots in fields were covered with water. Corn and soybeans suffered, but the wheat was in no danger until more rain came again on July 6.

It has not been so much the amount of rain, as one farmer put it, as the series of light rains and humidity of the atmosphere that hurt—the wheat just has not had a chance to dry out sufficiently to harvest.

Coyt Stookey, the government weather reporter here, has recorded this precipitation: July 6—.04 inches; July 7—.29; July 8—.15; July 9—trace and July 10—.36.

CASH NO. 2 WHEAT Tuesday was \$1.61 at the market here and the net support price \$1.69½—a spread of 8½ cents a bushel, which is more than it has been in some years in the past. This is the basis for the prediction of elevator men that most wheat will be stored.

Since farmers can save 2 cents a bushel handling charge (that's about the average) and 12 cents a bushel the government charges for storage if they store their wheat on the farm, indications are that farmers will take the loans on their wheat and store it on the farm if they have the facilities.

While chief concern here is for the wheat crop, farmers also are keeping an eye on their barley and oats, as well as their corn and soybeans.

Informed agencies estimate that between 50 and 75 per cent of the barley has been harvested. What is still in the fields may suffer if the rain continues.

Oats will not be ready for harvest for a week or more—and the weather could clear up before then.

The county has approximately 10,000 acres of oats and almost as much barley. Both crops go almost entirely into livestock feed.

The population of Egypt is about 70 million.

## Deaths, Funerals

### Mrs. Clementine Tarbill

NEW HOLLAND — Mrs. Clementine Tarbill, 87, of Route 1, New Holland, died at 5 p. m. Thursday in Chillicothe Hospital, where she had been a patient about 10 days. She had been ill three months.

Born in Pickaway County, she spent her entire life in the New Holland-Atlanta area—the last six years at the home of her daughter, Mrs. Paul Peck, Route 1, New Holland. Her husband, William, died in 1939.

She was a member of the Atlanta Methodist Church.

Survivors include her daughter, with whom she made her home, three grandchildren six great-grandchildren, and a sister, Mrs. Florence McPherson of Claypool, Ariz.

Services will be at 2 p. m. Sunday in the Kirkpatrick Funeral Home, New Holland, with the Rev. Glenn Robinson, pastor of the Atlanta Methodist Church, officiating. Burial will be in New Holland. Friends may call at the Kirkpatrick Funeral Home, New Holland, after 2 p. m. Saturday.

### Denver L. Chaney

WILMINGTON — Denver L. Chaney, 47, died at 1 a. m. Friday at his home, 226 S. Walnut St., here.

He is survived by three sons, Dwight R. of New Vienna, Wendell L. of Washington C. H. and Marvin Dale at home; a daughter, Mrs. Mildred West of Austin, Tex.; a brother, Everett Chaney of Bargerville, Ind., and two sisters, Mrs. Eunice Young of Dayton and Mrs. Eileen Waits of Sardinia.

Services will be held at 2 p. m. Sunday in the Fisher Funeral Home here and burial will be in the Fincastle Cemetery in Brown County.

Friends may call at the funeral home Saturday afternoon and evening.

JAMES KING — Services for James King, a native of the Good Hope community who died at his home in Columbus Tuesday morning, were held at 10 a. m. Thursday in the Southwick Funeral Home in Columbus by the Rev. John Thomas of the Central Community Church.

Pallbearers for the burial in the Good Hope Cemetery were Sheldon Cook of Tacoma, Wash.; Wells King of Washington, D. C.; Walter Castle of Columbus and Robert King, Horace Wilson and Lauren Wilson of Fayette County.

## USDA Predicts Ohio's Crops

WASHINGTON (AP)—The Agriculture Department Thursday forecast the following production of Ohio crops (given in order of number of acres for harvest, bushels per acre—unless otherwise specified—and total production):

Corn: 3,410,000 acres for harvest; 54 bushels per acre and production of 184,140,000 bushels.  
Winter wheat: 1,525,000; 30; 45,750,000.  
Oats: 1,079,000; 50; 53,950,000.  
Soybeans: 1,467,000 acres.  
Sugar beets: 21,000; 15 (tons per acre); 315,000 tons.  
Tobacco: 13,000; 1,522 (pounds per acre); 19,780,000 pounds — of that 14,415,000 pounds will be of burley tobacco, 108,000 pounds less than produced last year.

## Accardo Cited

(Continued from Page One)  
through cooperation by hoodlum-infested labor unions.

This is the main subject before the committee in the current hearings on Chicago rackets.

In his first hour on the witness stand, Accardo, who lost an attempt to black out television of his appearance, invoked the Fifth Amendment privilege against self-incrimination more than 140 times. The only questions he answered were for his name and address. The reputed baron of rackets and vice in Chicago's underworld pleaded it might incriminate him to answer any question about his business or occupation. He argued unsuccessfully that telecasting his testimony would invade his privacy. The hearings are being televised live in Chicago.

The carefully tailored Accardo strode to the witness stand after his alleged West Side Chicago top benchman, Sam Battaglia, had refused to tell whether he served as executioner for the Capone gang.

Polish composer Frederic Chopin wrote almost exclusively for the piano.

BABY CRUSHED TO DEATH IN STROLLER—New York truck driver Walter Stephan weeps in the cab of his vehicle while Mrs. Helen Smith, 41, breathes into the mouth of her 13-month-old baby, Althea, in a vain effort to restore life. The truck hit the baby, in a stroller being pushed by her mother. The driver was summoned for failing to yield the right of way to a pedestrian.

## Ranch House Burglarized

Burglars used a three - fourth-inch hollow iron pipe three feet long to force their way in the front door and batter several machines in the Ranch House, 750 W. Elm St., Thursday night, according to Sheriff Orland Hays.

Once inside the burglars used the iron pipe to tear the front of the juke box and rip open coin boxes on a bowling machine, cigarette machine and the juke box.

The sheriff said no merchandise was taken. Neighbors said they didn't hear anyone prowling around the neighborhood during the night, he said.

The burglars threw the cigarette machine, with cigarettes intact, into the side driveway. Sheriff Hays, said Friday morning, the amount of money taken had not been determined.

## Goldfine Probe

(Continued from page One)  
voluntary witness, though fighting with the congressmen over their questions.

Subcommittee Chairman Oren Harris (D-Ark) read the Boston industrialist a long, prepared statement declaring the subcommittee's job was to check into how regulatory agencies are carrying out the law.

Harris said Goldfine's East Boston Co., a holding firm, had gone for eight years without filing reports required by the Securities and Exchange Commission.

Next Harris had the subcommittee counsel, Robert W. Lishman, read a specific question about a \$20,000 withdrawal he alleged Goldfine made from a subsidiary of the company. Goldfine declined to answer this question yesterday, saying it was not pertinent to the investigation.

"Mr. Lishman," Goldfine firmly replied today, "I respectfully decline to answer because the matter is not relevant."

Goldfine said the question went into his own business affairs rather than the matter of regulatory agencies. And furthermore, he said, the subject is under judicial inquiry.

Harris asked if Goldfine considered Lishman's question not pertinent.

"Yes sir, I do," Goldfine said. Harris ruled the question was indeed relevant to the inquiry.

"Therefore I direct you to answer, Mr. Goldfine," Harris said. "Mr. Chairman," Goldfine persisted, "I decline to answer for the reasons given before."

## Cancer Bomb Takes Effect

LONDON (AP)—A cruel cancer time bomb is beginning to claim some human victims.

The bomb is radioactive medication containing thorium, which was given 30 or so years ago to thousands of people in many countries. Doctors didn't know then that such radioactive stuff could be dangerous.

Now some of those patients are developing cancers which are blamed directly on thorium.

No one knows how many thousands got the medicine. Or how many may develop cancers in the years to come. There are optimistic signs the number may fortunately be low.

The last chapters in the thorium story were reported today to the seventh International Cancer Congress.

The Missouri and Mississippi rivers meet about ten miles north of St. Louis.

### OHIO FIVE DAY FORECAST

Temperatures will average 24 degrees below normal. Normal high 84 north, 86 south. Normal low 62-64. Slight cooling trend over the weekend, then warming again early next week. Precipitation will average three-quarters to one inch in showers and thundershowers to-night and Saturday and again about Tuesday.

## Resisting Arrest Brings \$50 Fine

One man pleaded guilty to resisting arrest and one assault charge was dismissed in Municipal Court Friday.

Eugene E. Darden, 32, 1209 Columbus, pleaded guilty to resisting arrest and was fined \$50 and costs. Darden was also found guilty of intoxication.

A charge that Clyde Wagner assaulted Martha Shadley filed by Waldo Shadley was allowed to be withdrawn by the court upon payment of costs.

One drunk was also fined.

## 33 Submariners Fly to Liberty

GROTON, Conn. (AP)—Thirty-three atomic submariners have been flown 10,000 miles to spend a weekend at home.

The 29 enlisted men and 4 officers of the USS Nautilus arrived Thursday, from Pearl Harbor, Hawaii, on a weekend liberty.

The liberties expire Sunday and the men will return to their craft which is participating in Pacific maneuvers.

Groton is the home of the U.S. Atlantic Submarine Fleet and all of the men have families here.

## U. S. Considers Big Loan To Strife-Torn Lebanon

WASHINGTON (AP)—The United States is seriously considering 20 to 40 million dollars in emergency aid for revolt-torn Lebanon to help its pro-Western government survive continuing rebel attacks.

At least part of this sum probably will be granted once the Lebanese have provided supporting data requested by the State Department.

Officials said Lebanon appealed for funds for relief projects and for expenses that have piled up during two months of bloody fighting.

Extending such aid would be the third move by the United States to bolster the regime of President Camille Chamoun since fighting broke out May 10. Limited quantities of American weapons and ammunition already are being shipped. About 65,000 tons of emergency wheat shipments were promised two weeks ago.

Confidence mounted among

## 7 Speeding Cases In Municipal Court

Seven speed cases and one 82-year-old driver failing to yield the right-of-way dominated Friday's Municipal Court session.

Homer C. Fortier, 82, of 125 W. Ohio Ave., pleaded guilty to failing to yield the right-of-way and was fined \$10 and costs. The fine was suspended.

Guilty pleas to charges of speeding were entered by Vaughn J. Coder, 35, Bexley, \$5 and costs; Sidney A. Major, 28, of 427 Rawlings Street, \$5 and costs, and Max E. Bobst, 30, Route 2, \$5 and costs with fine suspended.

Bonds forfeited on a charge of speeding were: Simon Mendelshon, 41, Columbus, \$15; Esta Kellough, 53, Bainbridge, \$10; Charles E. Steele, 37, Columbus, \$15; and Elding E. Lee, 42, Chillicothe, \$20.

It was J. B. Johnson who made the first attempt to swim across the English channel. That was in 1872. He remained in the water only 65 minutes.

changed, .64-.73, mostly .66-.70;  
No 1 soybeans mostly unchanged,  
2.13-2.19, mostly 2.14-2.16.

## Market Shoves Ahead Slowly

NEW YORK (AP)—Industrial  
and rails joined to move the stock  
market ahead moderately early  
this afternoon, pushing the aver-  
age into new high ground for 1958.

Leading stocks advanced frac-  
tions to about a point. Turnover  
was fairly active.

Aircraft-missile stocks, stimulat-  
ed by a continuing stream of de-  
fense contracts, resumed their  
rise. Oils, rubbers, some chemi-  
cals and selected issues made  
gains.

The steels were helped by word  
that steel warehouses have had a  
pickup in sales and by news that  
June's steel output was the high-  
est for any month this year.

Youngstown Sheet and Lukens  
Steel rose around a point each.

Rails as a group moved to an-  
other 1958 high. Atlantic Coast  
Line and Illinois Central rose a  
point or better.

Gains in the neighborhood of a  
point were made by Kennecott,  
Goodrich, Douglas Aircraft, e-  
nith, Union Carbide, Du Pont,  
Westinghouse Electric and Revlon.  
Lorillard fell close to a point.  
U.S. government bonds were  
mostly unchanged.

## Round about Fayette County

By B. E. KELLEY  
I have mentioned more than once something about the deplorable condition of the roads in this community during the pioneer days, and even for many years after the county was pretty thoroughly "settled."

First roads were nothing more or less than trails blazed through the trackless forest. Later trees and brush were cut so that vehicles could travel these roads. First roads were necessarily very crooked, because of big tree stumps in the direct paths. When the stumps, either decayed or were burned out, the roads were straightened.

Not much attention was given to grading roads for fully 50 years after the first settlers built their log cabins and started clearing away the forest so they could produce crops.

After the roads were graded, they were fairly good dry weather roads but almost bottomless during wet weather.

Finally, the huge gravel deposits of the county were tapped and gravel was applied to the roads. This improvement was carried out year after year, through poll tax, etc., until the coming of the automobile made better roads necessary. Then crushed stone supplanted gravel.

Where early roads crossed boggy land, small trees and saplings were cut and placed in the ground so that horses, pedestrians and vehicles could pass over these places.

Sections of split logs, filling the space between the larger logs buried in the mud, made a fairly good causeway across the boggy places.

One of these was on the present Eber Coil farm on the CCC Highway just west of Mt. Olive Church. Scores of logs were cut and laid to form the corduroy road so familiar in the early years in the county.

It was not until some 25 or 30 year ago that this big pond was thoroughly drained. It now produces wonderful crops. Engineer Frank M. Kennedy did the surveying for the drain.

Coil, present owner of the land recalls that when a boy he caught some sizeable fish in the ponds on both sides of the road, and that water was two to three feet deep.

In all probability the cold corduroy road is still under the present modern highway across the low place. This same condition exists at many spots in the county's highway system.

### DINNER BELLS PASSING

One of the little used and slowly vanishing articles on the farm is the old dinner bell, which formerly summoned men from fields to their meals when rung by the housewife or member of her family.

Comparatively few farmers carried watches in those days and while working in fields sometimes a half mile and more from their homes, about the only way they knew when dinner time came was the sound of the dinner bell.

I used to be able to tell by position of the sun just about when to expect the sound of the dinner bell. Like others, who had a real appetite at dinner time, I watched the dinner bell when the wind was

carrying the sound away, to see it swinging back and forth. Then I knew it was time to eat, even though I heard no sound.

But now, with nearly every man carrying a watch, the "sweet music of the dinner bell" is now rarely heard.

There are still many of the old bells, some of which were produced in Washington C. H., (and the Fayette County Historical Society is interested in obtaining one of these) still on the farms, but most of them are keepsakes of the "good old days" although they have not been rung for years.

**TWENTY YEARS AGO**  
Under a \$340,000 school building program launched, old Sunnyside and Old Central buildings were to be torn down and replaced with new structures.

Federal and local officers rounded up a half dozen persons said to be engaged in a bootlegging in the community.

Records showed that one-third of all autos in county were bought on time payment plan.

Over \$9,000 in unclaimed funds in the defunct Ohio State Bank were to be used for relief purposes if not claimed.

The Bell Telephone Co. spent upward of \$70,000 for new dial phones and equipment in Jeffersonville, New Holland, Bloomingburg.

The old saying that "lightning never strikes twice in the same place" was disproved when it struck and damaged the Barnes barn in Milledgeville twice within two hours.

The Sun Oil Co. was taking leases in Liberty Twp., Clinton County for oil and gas.

Many farmers combined their wheat on Sunday. A few threshing outfits in the county were also operated Sunday.

Good Hope Rd. was to be rebuilt in near future.

State Highway Dept. was asked to make a survey on Court St. in connection with need for parallel parking of cars.

John Cook, 84, White Rd., farmer, died.

### Ralph Hoffman Trains With Air Force Unit

Ralph B. Hoffman, son of Mr. and Mrs. Henry T. Hoffman, Washington C. H., is attending the Air Force ROTC summer training unit at Lockbourne Air Force Base.

Cadet Hoffman, who completed his junior year in advanced AFROTC at Ohio State University is participating in a training period as part of his reserve officer training at college, following graduation he will be eligible for appointment as a second lieutenant in the Air Force Reserve.

### Farmers Union Meeting At South Solon Monday

Robert Haigler, Route 38 north of Bloomingburg, is to speak on "Our Agricultural Problems" at the regular monthly meeting of the Farmers Union in the South Solon community building at 8 p. m. Monday, Mrs. Reynold Slaughter Jr., reporter for the organization, announced today.

She said Haigler, a breeder of registered Herefords as a part of his general farm operations, also will discuss some of the international aspects of agriculture.

The organization, which meets at South Solon, she said, has around 35 to 40 members in Fayette County, Greene and Madison counties.

## Courts

### COMMON PLEAS COURT

Leroy Snyder, defendant in a divorce action brought by his wife, Shelby J., has been ordered to pay \$35 per week as temporary alimony and expense money until further order of the court.

Entries confirming sale of three tax - delinquent properties and for distribution of proceeds are on file in Common Pleas Court. The properties were listed in the names of Margaret Hoop, Margaret A. Thompson and W. H. Stewart. Respective buyers were Oat Gilmore (\$1,725), H. B. and Helma Rader (\$75), and Robert Armstrong (\$125).

Motion by Garna Souther, defendant in a divorce action brought by her husband, Homer, for temporary alimony has been granted by the court. The plaintiff has been ordered to pay \$15 per week until further entry.

**Tube Layoff Off**  
LORAIN, Ohio (AP)—New orders have caused the cancellation of a layoff of up to 400 additional employees at National Tube Division next week, a U. S. Steel Corp. spokesman announced Thursday.

## Business Notes

Ray Brandenburg, Washington C. H. auto dealer, will give a special report at the mid-summer meeting of the Ohio Automobile Dealers Assn. board of trustees at the Mt. Vernon Country Club Tuesday.

A trustee of the Insurance Fund, Brandenburg will report on the new features of the plan to familiarize the board with the group plan of the OADA for auto dealers, employees and dependents.

Brandenburg is a past president of the OADA.

The meeting will start with a luncheon at noon with an after-dinner program planned for the evening.

A number of distinguished guests have accepted invitations to attend the annual event, R. H. Zimmerman, executive secretary of Columbus said.

### Kaiser Strike Ends

NEWARK, Ohio (AP) — About 1,100 workers at the Kaiser Aluminum plant here ended a two-day unauthorized strike Thursday after the company reinstated 36 men to their jobs. The workers, members of the United Steel Workers Union, Local 341, left their jobs Wednesday protesting Kiser's dismissal of one employee and the suspension of 35 others.

### Lightning Kills Boy

TROY, Ohio (AP) — Lightning Thursday struck and killed Donald Overholser, who would have been 15 today, as he, his brother, Steve, and their father, Laurel, worked in a family garden at nearby West Milton. Police said the bolt knocked down Steve and stunned the father. However, neither were injured.

IT'S SO EASY TO PLACE A  
WANT AD.

## Jeffersonville FFA Chapter To Help Send Heifer to Turkey

Jeffersonville High School's Future Farmers of America chapter, and two other FFA chapters in this part of Ohio are pooling funds now to send a three-month-old purebred Holstein heifer to needy people in Turkey.

Thirty-nine other heifers are now being picked for the same purpose by FFA chapters in other parts of the state.

The venture is in co-operation with the Ohio Vocational Agriculture Teachers' Assn., and the Christian Rural Overseas Program (CROP).

The heifer will need to be selected by Aug. 1, treated for overseas shipment and taken to the Ohio State Fair, where she and the other 39 will be dedicated and flown directly to Turkey.

Turkish farmers who receive

heifers sent to them from Ohio are under obligation to give away the second and subsequent born female calves to other farmers. After each heifer grows to maturity and comes into production 10 per cent of her total production will be given to needy families and expectant mothers. The male calves will be given to the Turkish "Veterinarian Directory" for cross-breeding and improving native cattle.

Kenneth Pettit is president of the Jeff FFA and Norman Rodgers is the chapter advisor.

### Killed by Car

DAYTON, Ohio (AP) — Five-year-old Timothy David DeLoe was killed Thursday when he stepped into the path of a car near his home in nearby Fairborn.

### Wrong Time and Place To Settle an Argument

HARTFORD, Conn. (AP) — Mrs. Josephine Jefferson tried to settle her argument in court, but the judge overruled her.

The 28-year-old woman appeared in police court to answer charges of breach of peace and resisting an officer. The complainant, Sam Williams, was there, too.

The judge had just sentenced

Mrs. Jefferson to 30 days in jail for resisting the officer, and found her innocent of the breach of peace charge.

But then she walloped Williams on the jaw.

"Sixty days for contempt of court," said the judge.

## Fair Queen Candidates

**EDITOR'S NOTE:** This is the seventh in a series of sketches. Introducing the 10 candidates for Queen of the 1958 Fayette County Fair. You may vote for the girl of your choice at nearly 50 local stores and service establishments which are participating in the Fair Queen Contest. These firms will give you one vote with each one-dollar purchase.

Nancy Jo Owens, 17, daughter of Mr. and Mrs. Glenn Owens, Bloomingburg, presently is employed at Fayette Memorial Hospital, but she isn't quite sure what her future work will be.

She was treasurer of the Senior Class at Bloomingburg, was Senior attendant to the Homecoming Queen and was a member of the cheerleader squad.

Her activities also include 4-H

NANCY JO OWENS

## Sunday Will Be Roy Reynolds Day At Camp Ground

LANCASTER — Sunday, July 13, will be Roy Reynolds Day at Lancaster Camp Ground, where he will preach at 2:30 p. m. Dr. Reynolds is associated with Cade Tabernacle, Indianapolis.

At the 10:30 service the Rev. Charles Reed of Troy formerly of Circleville, will be the preacher. Cur. Davis at the organ and the Camp Ground Choir will furnish the music.

Also on Sunday, members of the Woman's Society of Christian Service for the Chillicothe, Portsmouth and Zanesville districts will register and spend the week at Camp Ground attending their schools of mission.

work, membership in the Junior Leadership Club and the Future Teachers Assn.

She is a member of the Bloomingburg Presbyterian Church.

## Highway Agent Gets Suspension

COLUMBUS, Ohio (AP)—A \$440-a-month right-of-way agent that the Ohio Department of Highways claims has not been putting in a full working day will be suspended from his job for 30 days beginning July 23.

He is Eugene N. Sisk of Geneva-on-the-Lake, who has been working in the Ashtabula County Courthouse at Jefferson checking titles for land the department needs.

Highway Director Charles M.

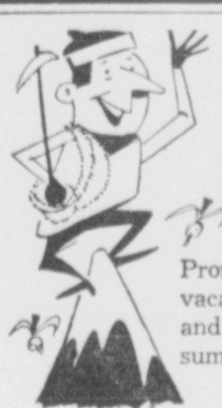

Noble, who signed the suspension notice, said the department has affidavits asserting Sisk did not put in full 8-hour working days and incorrectly reported automobile mileage.

The Outer Banks of Cape Hatteras N. C., where the pirate Blackbeard met a violent death, is also the place where the Wright Brothers flew the first airplane on Dec. 17 1903.

## Jeffersonville HD Club Enjoys Cincinnati Trip

A trip to Eden Park in Cincinnati, by chartered bus, was greatly enjoyed by the Stitch and Chat Home Demonstration Club of Jeffersonville Wednesday.

While at the park they viewed the extensive array of tropical plants, the waterfalls and pools of rare fish and the beautiful and colorful orchids.

After lunch several members went shopping while others visited the Cincinnati Public Library.

The main feature of the trip was the Fourth Cinerama filmed and edited by world traveler, Lowell Thomas.

Mr. Thomas was commissioned by President Eisenhower to visit Nepal and to witness the coronation of its king. He conceived the idea of taking the Cinerama cameras along and capitalized on the trip.

Mrs. Reba Straley was responsible for making plans for the lovely trip.

Members and guests making the trip were Mrs. Leora Booco, Mrs. Lolo Brock, Mrs. Priscilla Brown, Mrs. Catherine Baird, Mrs. Thelma Cline, Mrs. Virginia Coil, Mrs. Anna Combs, Mrs. Edna Dill, Mrs. Edna French, Mrs. Pauline Hoppes, Mrs. Marguerite Heironimus, Mrs. Edith Knox, Mrs. Jessie Reese, Mrs. Edith Sharrett, Mrs. Virginia Shoemaker, Mrs. Reba Straley, Mrs. Ruth Straley, Mrs. Margaret Swaney, Mrs. Ruth Williams, Mrs. Alice Burr, Mrs. Virginia Blackmore, Mrs. Helen Coil, Mrs. Medrith Creamer, Mrs. Lela Evans, Mrs. Lillian Ervin, Mrs. Dorothy Glass, Mrs. Carrie Gray, Mrs. Gerald Hidy, Mrs. Bernice Jones, Mrs. Leola McClaskie, Mrs. Loa Ritenour, Mrs. Marie Runyan, Mrs. Emma Lou Spahr, Mrs. Emma Vannorsdall, Mrs. Virginia Williams, Miss Marie Burr, Miss Phyllis Fannin, Miss Kay Ritenour, Miss Shirley Walters and Miss Medrith Whiteside.

## Bridge Luncheon Held Thursday

Forty members and guests attended the ladies bridge luncheon in the Country Club Thursday afternoon.

The tables were beautifully appointed with lovely arrangements of white hydrangeas and deep purple petunias. Bright colored miniature umbrellas were placed at certain vantage points.

Following the tempting luncheon, bridge was enjoyed.

Prizes were awarded to Mrs. Ormond Dewey, Mrs. J. J. Kelley, Miss Dorothea Gaut and Mrs. Grace Goodwin.

Mrs. L. P. Leyson of Cincinnati and Mrs. Walter O'Brien, Mrs. Ed Hunt and Mrs. Gladys Keller of Washington C. H., were guests.

Mrs. W. W. Trovillo of Frankfort, an out-of-town member, was also present.

The committee for the afternoon was composed of Mrs. Cecil Vanzant and Mrs. Clarence Maddox.

## Legion Auxiliary Installs Officers

Impressive installation services were conducted at the Wednesday night meeting of the American Legion Auxiliary in Legion Hall.

Mrs. Howard Mace, past district president, installed Mrs. Eugene Ladrach as the new president; Mrs. Francis Morgan, first vice president; Mrs. Norman Boop, second vice president; Mrs. Russell Whitely, secretary; Mrs. Russell Liston, treasurer; Miss Florence Purcell, historian; Mrs. Phillip Ford, chaplain; and Mrs. Nellie Coe, sergeant at arms.

Mrs. Harold Gorman, outgoing president, conducted the business session at which it was agreed to purchase milk for a needy family. An amendment to the constitution was read and will be voted on at the next meeting.

Mrs. Darrell Williams gave an interesting report on the seventh district summer convention which was held in Portsmouth July 1.

The report of the audit committee was given and approved. Mrs. Maryon Mark, Mrs. Chester Dunn and Mrs. Kay West made up this committee.

Mrs. Eugene Ladrach, rehabilitation chairman for July, reported on the regular monthly trip to Veterans Hospital in Chillicothe. She said 40 patients in Ward 26A were served cake, candy and soft drinks and given cigarettes. The cakes were donated by Mrs. Ford, Mrs. Wayne Boyer, Mrs. Charles Huffman and Mrs. Ladrach.  
Tea delicacies were served during the social hour after the installation from a beautifully appointed tea table.  
Hostesses for the evening were Mrs. Mark, chairman; Mrs. Dunn, Mrs. Charles Foster, Mrs. Williams and Mrs. Virgil Sexton.

## Colorado Honors Newark Jurist

DENVER (AP)—Judge Charles B. Holtsberry of Newark, Ohio, was given an honorary membership in the Colorado Bar Assn. by the Colorado Supreme Court Thursday.

Judge Holtsberry, who presides at a Common Pleas Court, was here to receive a certificate signifying the honor. Justice O. Otto Moore said later the certificate "is a gesture of courtesy, of western hospitality," and does not permit the recipient to practice law in Colorado.

Justice Moore said that while on a trip to Cleveland to discuss newspaper photography during court trials, he met Judge Holtsberry and the latter expressed interest in several recent Colorado decisions.

## Miss Beverly Baughn To Wed Mr. Stanley Hannah Aug. 16

MISS BEVERLY BAUGHN

Mrs. Donna Baughn of 827 Washington Ave. announces the engagement of her daughter, Miss Beverly, to Mr. Stanley Hannah, son of Mr. and Mrs. Wayne Hannah of Cedarville.

The bride-elect is the daughter of the late Mr. Vivien P. Baughn.

## Larsons Hosts At Dinner Party

Mr. and Mrs. Louis I. Larson of Novato, Calif., who are visiting here with Mrs. Larson's mother, Mrs. Virginia C. Otis and sister, Miss Elizabeth, entertain a day with a lovely dinner party Wednesday evening.

Dinner was served buffet style from a beautifully appointed table centered with an attractive arrangement of red rose buds.

Mrs. Larson's mother and sister assisted in the evening's hospitality.

Following the tempting dinner, playing cards was enjoyed.

The invited guests were Mr. and Mrs. Bruce Horne of Connecticut; Mr. and Mrs. John Radabaugh, Lancaster; Mr. and Mrs. Robert Harrison, Mr. and Mrs. Stephen Kellogg and Mr. and Mrs. John Hanley of Columbus; Mr. and Mrs. William Westerfield Jr. of New Orleans; and Mr. and Mrs. Hugh Rea, Mr. and Mrs. Robert Green, Mr. and Mrs. Richard Arnott, Mr. and Mrs. J. Willis Dick, Mrs. Virginia C. Otis, Miss Elizabeth Otis, Mr. Bud Dawson, Mr. James Fox, Mr. and Mrs. Robert Mace, Mrs. Suzanne Sams, Mr. Harold Hazard, Mr. and Mrs. Richard Hankins, Mr. and Mrs. Kenneth Johnson and Mr. Randall Worthington, all of this community.

## Deadline Near For Returns On Sales Tax

Holders of vendor's licenses have until July 31 to file their semi-annual sales tax returns (Jan. 1 to June 30) with the treasurer of state.

To avoid the \$1 a day charge for delinquent filing they should be postmarked not later than July 31, Edwin Walters, a representative of the state Department of Taxation, said.

One examiner, possibly more, from state will be in the Court-house here on the final day, July 31, to assist vendors made out their returns, he said.

Those seeking help from the examiners must bring with them all records necessary to substantiate the figures to be reported. These records should include a copy of the last return, a record of gross and exempt sales and a record of taxable sales of 41 cents or more for the first six months of this year.

Vendors also must bring copies of their purchase orders showing the amounts of stamps purchased during the period.

Vendors are no longer required to have sales tax returns sworn to before a notary public or a representative of the Department of Taxation. The vendor, however, is required to sign the declaration on the return that the information given is true.

When completed, all returns must be filed with or mailed to the Treasurer of State, P. O. Box 1799, Columbus, Ohio. If a deficiency is shown on the vendor's return, remittance in the amount of tax due should accompany the return, made payable to the Treasurer of State, either by check, draft or money order.

## Personals

Mrs. Ira V. Barchet and son, David, were guests this past week at the home of Mr. and Mrs. George DuPont in Nashville, Tenn. Mrs. Barchet's daughter, Miss Susan, joined them for the holiday. They visited "The Hermitage," home of Andrew Jackson, and other points of historic interest in Tennessee. En route home they viewed the birth place of Abraham Lincoln in Hodgenville, Ky.

Mrs. Harry M. Roberts of Columbus is visiting here for a few days with Miss Blanche Roberts.

AN APRON overskirt gives a "little dress" look to an eyelet bathing suit by Tina Leser. An inner bra is softly but firmly shaped by non-woven, quick-drying pylon for permanent shape control. The suit and skirt are underlaid with pale pink cotton satin and embroidered with bright red roses.

## BEYOND PRICE

Many of today's "wonder drugs" are dispensed in small quantities because they are so effective that a little works a great deal of cure. While it may seem that you are getting a small amount of medicine for your money, you actually are buying faster relief from pain and speedier recovery from illness. Valued in these terms, prescribed medicine is truly beyond price yet it is priced within the means of all.

## Glass Firm Develops New Building Unit

TOLEDO, Ohio (AP) — Owens-Illinois Glass Co. Thursday announced development of a glass curtain wall building product which transmits diffused daylight into a room while turning back the hottest rays of the sun.

This is accomplished by a prismatic effect built into the basic unit, a 2-inch thick, 12-inch square of hollow glass.

In construction, the units are assembled in aluminum framed panels with a quick-setting cementing material and the panels are fastened to vertical aluminum struts and interlocked by use of an ordinary screwdriver.

The finished walls are able to withstand wind-driven rain of hurricane velocity, the spokesman said.

The glass units can be made in

## Brucker To Visit

COLUMBUS, Ohio (AP)—Secretary of the Army Wilber M. Brucker will visit Ft. Hayes here Monday to take part in the national reunion of veterans of the 42nd Infantry (Rainbow) Division in which he served during World War I.

## NKP Asks Train Halt

COLUMBUS, Ohio (AP) — The Nickel Plate Railroad has asked the Utilities Commission for permission to drop two Cleveland-to-St. Louis passenger trains. The trains stop at Lorain, Fostoria, Findlay and Lima. Railroad officials claim the trains are not making a profit.

white, blue-green and yellow colors and interspersed with opaque panels in other colors and tints.

## DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R  
 is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

## A Cryptogram Quotation

K A K L Z W G Y W W G J U J T W E K S -  
 W Q J K G Y E J G Y T K L K W T I C J  
 W K L N W Q S J I A E K N J - C I L W Y K R L J.

## Ike Returns To U. S. Soil

Three Agreements Mark Canada Stay

MASSENA, N.Y. (AP) — President Eisenhower stopped off at this northern New York village today to inspect the American portion of the billion-dollar St. Lawrence Seaway and power project.

The President and Mrs. Eisenhower landed at 10:28 a.m. at the airport, for a civic reception and the start of a two-hour tour of a canal and locks — one of them named for the chief executive.

Eisenhower paused here on the way back to Washington from his summit conference with Canadian Prime Minister John G. Diefenbaker in Ottawa.

In three days of informal, card-on-the-table talks Diefenbaker and Eisenhower agreed that:

- (1) A joint cabinet committee on continental defense will be created;
- (2) the two governments will work on plans for safeguards against surprise attacks across the Arctic;
- (3) consultations will be held on lower levels to try to dissolve differences over trade with Communist China by Canadian subsidiaries of U.S. companies.

While time will test the practical value of these agreements, White House press secretary James C. Hagerty pronounced them important and good steps forward.

Hagerty said the closer personal relationship established between the two heads of government "is very good for both our countries." Eisenhower, he said, "believes very much that this was a very worthwhile meeting."

Diefenbaker told the House of Commons a spirit of consideration had been shown for each other's problems that "bodes well for the future."

Eisenhower's visit came at a time when relations between the two countries have been marred by increasing Canadian complaints about various U.S. programs and policies.

Eisenhower was not a tremendous magnet for crowds at his public appearances, but there was an utter absence of hostility.

## Tough Job

(Continued from page One)

elo Duran, holding the wounded man, said.

Another car drove up. "Douse those lights!" an officer shouted.

The killer was still back on the wooded mountain slope from where he had ambushed Hill and two other posse members.

"He's got a telescopic sight. He can pick us out even in this light," said a voice from the gathering dark.

Cigarettes went out as if they had all been stepped on by a giant heel.

"We'd better get out of here and watch the road until morning," came another voice. "He's shot four people with three bullets and there's no use walking back there in this light. He can see us a lot better than we can see him."

A car raced back for the road, carrying the wounded man. The other cars, their drivers ducking low, followed.

"We'd better fan out in case he tries to walk out," Mauldin said. The others agreed.

About half a mile up the road, at the head of the mountain valley, Mauldin stopped.

"We can wait here," he said. Carbines were unlimbered and officers and volunteers crouched behind the car watching the dark face of the mountain where every shadow became a bearded, armed figure.

"You'd better take off that shirt," said a voice. I took off the light colored shirt I wore and started shivering in the mountain cold. It was better than getting shot.

The men talked in whispers, listening for a sound from the brush. We crouched behind the cars.

"Have you ever seen what a 30-36 slug can do going through one of these cars?" Mauldin asked. "We're sitting ducks."

Mauldin and a state policeman, Fred Garcia, climbed above the road and hunched behind the brush.

A sharp sound of a cartridge being placed in a rifle chamber broke the stillness.

I was glad I had to leave right then to call in a story.

## Good Hope Grange Discusses Flag at Wednesday Meeting

Discussion of the American flag highlighted the program at a meeting of the Good Hope Grange in Wayne Hall.

John Rowland led the discussion. The program was under the direction of Charles E. Morgan, Chester Ratliff and Floyd Rea. A film, "Let's Explore Ohio", was shown.

Mrs. Herbert Hoppes was appointed to arrange for repairs to the Grange piano. Mrs. John Rowland, the lecturer, appointed Mrs. Harry Rains, Mrs. Reta Kearney and Mrs. Orville Weidinger to plan the entertainment for the August meeting.

Serving refreshments at this meeting were Mr. and Mrs. Cecil Dixon, Gene Dixon and Mr. and Mrs. Lawrence Hoppes.

Serving refreshments at the August meeting will be Mr. and Mrs. Frank Lanum, Mr. and Mrs. Floyd Rea and Mrs. Reta Kearney.

## C. of C. Directors To Elect Officers

The board of directors of the Chamber of Commerce will elect officers at Monday night's meeting.

At this meeting six new members will go on the board, five for three-year terms. J. Roush Burton will fill an unexpired one-year term and Leo Edwards, John Breiner, Joseph Peters, Thurl Campbell and Harold Soldan go on the board for three years.

Retiring board members are to attend to finishing old business. They are Paul Rodenfels, Albert Bryant, Dustin Gorton, A. H. Huton and Ralph Bray.

Vaccination is the only known preventative against hog cholera.

## Child Injured; Hit by Auto While Playing

A seven-year-old boy escaped with only moderate injuries Thursday after he was hit by an auto when he ran into the street.

The driver Kristin Himmelsbach, 17, of 404 Van Deman Ave., and two witnesses said Buckner Allen Burbage, 7, son of Mr. and Mrs. Buckner Burbage, 726 Briar Ave., ran in front of her auto Thursday at 12:50 p. m.

She said she was driving south on Briar Ave. and saw several children playing in a yard. Two ran into the street and she applied her brakes; but was unable to keep from hitting the boy.

Miss Himmelsbach was released after routine investigation.

Burbage, taken by ambulance to Memorial Hospital, was treated for bruises, over the entire body and a possibly fractured rib and was released.

In another mishap, cars driven by Shirley A. Milstead, 16, of 407 Western Ave., and Albert R. Summers, of 518 Gibbs Ave., collided on Fayette St. Thursday about 5:30 p. m. There was minor damage to both cars.

## Driver Cited after Three-Car Collision

A three-car accident on Route 35 two miles west of Washington C. H. Friday at 9:30 a. m. resulted in one driver being charged with passing at an intersection.

John W. Carr, 16, of 507 S. North St., was passing Eugene Geer, 35, route 5, who was attempting to turn into Plymouth Pike when his car hit the Geer car and slid off into a car driven by Shirley A. Bostwick, 56, Milledgeville, who was parked at a stop sign, according to the sheriff's report.

Carr was cited for passing at an intersection.

In accident on the bridge on Route 38 half a mile south of Bloomingburg, cars driven by Gene H. Bowling, 39, London and Freeman Van Meter, 28, of 114 E. Paint St. collided.

There was major damage to the Bowling car. The accident occurred about 6:15 p. m. Thursday. Neither driver was cited.

## Babe Ruth Assn. Granted Charter

The Washington Babe Ruth Assn., a newly-formed organization designed to manage the Babe Ruth League's Rossmann Field, Route 35 west, has been chartered as a non-profit corporation by Secretary of State Ted W. Brown.

The corporation does not represent the league as such — only those individuals and groups involved with the management of the new field. The league itself is also planning to incorporate, but no formal move has yet been made.

Trustees of the newly-chartered group, to serve until the meeting for election of regular officers are John Breiner, president of the league, Maynard A. Wilson, member of the Washington C. H. Lions Club, and Dr. Marvin Rossmann, who donated the field land for the league's use.

## Strike Ends

COLUMBUS, Ohio (AP) — An unauthorized strike which shut down the giant General Motors Terstedt plant ended today just 24 hours after it began.

Plant Manager Paul E. Jones said picket lines were withdrawn and the morning shift of 2,500 workers entered the plant. "Production is back to normal," he said.

## Jack Ayer, Herald Reporter, Leaving For Army Training

JACK AYER

Jack Ayer, 22, of 205 Central Pl., leaves his job as a Record-Herald reporter Saturday to depart for six months of active-duty training with the U. S. Army.

Ayer, a member of Company M, Fayette County's National Guard unit, will leave July 20 for Ft. Leonard Wood, Mo., for eight weeks of basic training. After that, he is scheduled for four months of advanced training, following which he will return to civilian life.

Ayer came here first in November 1955 under a work-study program at Antioch College, where he was a student. He returned to the Record-Herald on a permanent basis in January of 1957.

Ayer's wife, an Antioch graduate, will return to her family home in Dayton for the duration of his service time.

## School Survey Benefit Held At Fairground

"Between 500 and 600 people" turned out for a fish fry, dance contest and entertainment program Thursday evening at the Fairground to raise money for a promised Fayette County school survey, Sam Marting, one of the planners, said.

The crowd started coming about 5:15 p. m., and kept coming steadily until about 9 p. m., Marting reported. There was some waiting for service at the busiest times, he commented.

Heber Deere and Marlin Riley headed the team of cooks which kept traffic moving through the evening. Prizes were awarded for amateur talent.

The event was sponsored by a private group interested in the survey approved by the State Department of Education. A group of citizens and the Washington C. H. Board of Education have promised financial aid for the project, but both rural boards have declined to vote money for the purpose.

George Blackmore headed the arrangements committee.

## 100 from Here At GOP Picnic In Chillicothe

Brass bands, professional entertainers, and some 100 Fayette County Republicans joined the throng at the Ross County Fairground at Chillicothe Thursday to talk with "your neighbor from Marietta," Gov. C. William O'Neill.

No one would hazard a guess at how huge the seam — stretching "Governor's Day" crowd really was altogether. But a Columbus caterer said he provided food for 9,000 — and ran short.

Miss Mildred Smith, Common Pleas Court stenographer here and Fayette County Republican Chairwoman, estimated the Fayette County delegation at about 100. It included party candidates, county and city officials and just plain private citizens.

Otis Core, chairman of the Fayette County Republican Central Committee, said that "possibly 1,000" Fayette Countians will go to a similar celebration in Columbus Friday (tonight).

"The weather may cut the crowd, but that is what we are expecting," Core said.

"Governor's Day" picnics are being held in 11 strategic locations around Ohio by O'Neill in his bid for reelection.

World production of coke has increased every year since 1945.

## 4 Children, 2 Adults Treated at Hospital

Four children, a woman and a man — two of them receiving attention after they stepped on rusty nails — received emergency first aid at Memorial Hospital Thursday.

Receiving treatment for nail wounds were Mrs. Kenneth Madden of Route 6 and Samuel Lester Hickman, 3, son of Mr. and Mrs. Lester Hickman of 102 W. Paint St. Treated after she ran into a clothesline post and sustained a bruise over her right eye was Sandra Kay Ingram, 7, daughter of Mr. and Mrs. Albert H. Ingram of 828 100th.

Gary Evans, 3, son of Mr. and Mrs. Hobart Evans of Bloomingburg, was treated after he cut his forehead when he fell on a rock.

John Smith, 11, son of Mr. and Mrs. J. W. Smith of 1153 E. Paint St. was examined for possible injuries after he was hit in the ribs with a ball.

Dearl Alexander, 806 Rawlings St., was treated for burns after he had spiled boiling water on his foot.

The largest of the sequoia trees in eastern California is the General Sherman Tree. It is 36.5 feet in diameter and 274 feet in height.
